SUBJECT: TUNIS EMERGENCY ACTION COMMITTEE MQTING

REF: TD-314/086042-09 24 DEC 09

Classified By: Deputy Chief of Mission Marc Desjardins for reasons 1.4
(c) and (d).

1. (S) A core group of EAC members met December 28 to discuss the contents of reftel under the chairmanship of the DCM. Present at the meeting were SDO/DATT, P/E Couns, ARSO and Deputy ORA Chief. The discussion reviewed the contents of reftel and concluded that its very general nature did not warrant major changes in the Mission's security posture. The ARSO said that limited enhancements on inspection of vehicles had been ordered for those cars parked in the Mission's lot, which is outside of the official perimeter. The Mission believes that GOT resources are committed to the protection of sensitive public targets, including in the southern tourist zones currently popular at this time of the year, and that no other action was required.
